DATE MAILED:

NOTIFICATION OF NON-COMPLIANCE WITH 37 CFR 1.192(c)

The Appeal Brief filed 1/4/2002 is defective for failure to comply with one or more provisions of 37 CFR 1.192(c). See 1092 O.G. 33, July 12, 1988 and MPEP §1206.

Applicant is given a TIME LIMIT of ONE MONTH from the date of this letter or any time remaining in the period under 37 CFR 1.192(a) for filing a new complete brief. If a new brief that fully complies with 37 CFR 1.192(c) is not timely submitted, the appeal will be dismissed as of the date of expiration of the period provided by 37 CFR 1.192(a). No extension of this one month time limit may be obtained under either 37 CFR 1.136(a) or (b) but the original two-month period under 37 CFR 1.192(a) for filing the brief may be extended under 37 CFR 1.136(a) up to six months from the date of the Notice of Appeal.

1. The brief does not contain the items required under 37 CFR 1.192(c), or the items are not under the proper heading or in the proper order. (See explanation in box 8 below, if appropriate.)
2. The brief does not contain a statement of the status of all claims, pending or cancelled, or does not identify the appealed claims. 37 CFR 1.192(c)(1). (See explanation in box 8 below, if appropriate.)
3. The brief does not contain a statement of the status of each amendment filed subsequent to the final rejection. 37 CFR 1.192(c)(2). (See explanation in box 8 below, if appropriate.)
4. The brief does not contain a concise explanation of the claimed invention, referring to the specification by page and line number and to the drawing, if any, by reference characters. 37 CFR 1.192(c)(3). (See explanation in box 8 below, if appropriate.)
5. The brief does not contain a concise statement of the issues presented for review. 37 CFR 1.192(c)(4) (See explanation in box 8 below, if appropriate.)
6. The brief does not contain a correct copy of the appealed claims as an appendix thereto. 37 CFR 1.192(c)(7). (See explanation in box 8 below, if appropriate.)
7. The brief does not present an argument under a separate heading for each issue on appeal. 37 CFR 1.192(c)(6). (See explanation in box 8 below, if appropriate.)
8. Explanation in support of items 1-7 above, if appropriate:
③The brief does not give the status of the amendment after final amendment filed December 19, 2001

→ NO AMENDMENT AFTER FINAL HAS BEEN RECEIVED
should applicant wish to maintain the date of December 19, 2001 a copy of
the amendment along with a copy of the return post card receipt. If
the date is not important or a post card receipt is unavailable, applicant
may simply resubmit the amendment within the response time set in this
paper, since amendments after final can be entered any time before
final jurisdiction passes to the Board of Appeals (MPEP 1207). The
substitute Brief should be filed AFTER the mailing of the advisory action.
